

Message of Chief Guest

Dr. Ravindra Kumar Tyagi

I am delighted to know that Indira Gandhi Delhi Technical University for Women (IGDTUW) is celebrating the Second Research Excellence Awards Ceremony on March 15th, 2023.

I extend my best wishes to the faculty, staff and students of the Institute who have taken up the responsibility of celebrating its achievers. Adaptation to novel methods of learning is the only way forward for Educational Institutes.

Research is a process of discovery and continuous learning. It is an intensive activity, but extremely fulfilling and the findings offer useful insights for policy decisions. I am happy to learn that IGDTUW is devoted to accelerate and sustain the scientific discovery and application of knowledge for betterment of humankind.

I extend my warm wishes to the recipients of the prestigious Research excellence awards and optimistically look forward to more contribution and commitment from them to take the University to greater heights in the arena of Research and Innovation.

Dr. Ravindra Kumar Tyagi
Professor of Practice, IIT Roorkee
Former Chairman, HAL
