## Message

*“Anyone who is satisfied with what has been achieved yesterday has not done anything today”.* We must constantly push ourselves to set new goals and achieve greater heights. In fact, every goal we achieve should lead us to a new challenge. With this spirit and our constant endeavor to maintain high standards of excellence in Academics and Research, it is our privilege to announce the celebration of Second Research Excellence Awards ceremony on 15<sup>th</sup> March 2023.

IGDTUW had introduced Research Excellence Awards from August 2019, to support quality and innovative research and to recognize the achievements of the faculty and student researchers. The cash award shall be given to Researchers (faculty members and students of IGDTUW) in recognition of importance of the published research work and to motivate individual excellence in research in all the disciplines of the University. There are four categories of awards namely, Outstanding Research Awards, Premier Research Awards, Commendable Research Awards and Motivational research award. The primary goal of the *Outstanding Research Awards* is to recognize faculty who published papers in outstanding category with impact factor  $\geq 5.0$ . The aim of the *Premier Research Awards* is to recognize the faculty who published papers in the reputed journals in premier category with impact factor at least 1.0. The goal of the *Commendable Research Awards* is to recognize the faculty who published papers in the reputed journals in commendable category with impact factor less than one. All the above-mentioned awards would include the category of journals published in SCI/SCI expanded/SSCI publications. Finally, the aim of *Motivational research awards* is to recognize the faculty who published papers in the reputed Scopus indexed journals. In addition to the cash prize, a certificate of merit would be presented to all the awardees.

Industrial Research and Development Cell of the University congratulates all the members of academic fraternity on receiving the Research Excellence Awards.

**(Dr. Ranu Gadi)**
