*Dr. (Mrs.) Amita Dev*  
VICE CHANCELLOR  
डॉ. (श्रीमती) अमीता देव  
कुलपति

It gives me immense pleasure to announce that Indira Gandhi Delhi Technical University for Women (IGDTUW) is holding its 1st Research Excellence Awards ceremony on 24th December, 2021. This is an occasion to celebrate the research achievements of our students and faculty members and encourage them to pursue quality and innovative research.

IGDTUW had incepted Research Excellence Awards in 2019, to promote research and build a strong Research Ecosystem in the University. The cash awards shall be given to Researchers (faculty members and students of IGDTUW) in recognition of importance of the published research work and to motivate individual excellence in research in all the disciplines of the University. The University offers four categories of awards namely, Outstanding Research Awards, Premier Research Awards, Commendable Research Awards and Motivational Research Awards.

I extend my heartfelt congratulations to all the Research Excellence Awards recipients in various disciplines for their outstanding achievement in research and look forward for their contributions to our University and our nation, in the years to come. I invite the students and faculty members of IGDTUW to commit themselves for creating research and innovation culture with their utmost dedication and unconditional commitment. Let us all march forward on the path of research excellence and reach newer heights of education & research in the years to come.

**Dr. (Mrs.) Amita Dev**  
Vice Chancellor
